What specific parts of the proposed changes does my submission relate to? (please reference the specific section or words and attach more pages if required)

Area A - specifically the proposed recreation path, going along the south boundary of 16 Stiles Avenue. Part of this path is very close to our boundary fence and we are concerned about our privacy as our bedrooms and bathroom face this boundary. As the path will not be illuminated at night, we are concerned about potential criminal activity such as thieves and peeping toms. We regularly have our grand children to stay, this would be a big concern. We are not against the recreation paths, only where it goes past our house. We feel this part of the path does not need to be there.
