Q14 Long Text

What specific parts of the proposed changes does my submission relate to? (please reference the specific section or words and attach more pages if required)

Submission point 08.01

In DEV-1,first paragraph, please change the 50 hectare to the calculated size of the development area, likely around 70 hectares, this being the area of land encompassed by the red boundary line (Area A boundary) and red dotted boundary (Area B boundary); areas A & B comprising the Waipukurau South Development Area.

Submission point 08.02

In DEV1-APP1-Structure Plan, within Area B I recommend the black dotted line [future road connections] is deleted, since in one part it passes through the dwelling owned by the Dayne family. However, replace with a general comment in respect of Area B that future road connections will likely be required within the Area B zone to encompass future dwelling subdivisions in the zone, linking (where agreed) to future intersections
